infra-red

Barr & Stroud specialize in the development and manufacture of infra-red equipment and in the supply of materials for the infra-red. Precision components, with dimensions of several inches, can be made in calcium aluminate and arsenic trisulphide glasses; also discs and windows in many synthetic crystals and semi-conductors.

electronics

Our Electronics Department is well versed in today's techniques. There are groups working on a variety of specialized subjects, including electric wave filters, microwave circuits, servo systems, digital computers, television, electron optics and high speed pulse control circuits.

This knowledge, and that of our other research departments, combined with the traditional craftsmanship in optics and engineering, enables us to tackle a wide range of projects for defence and other purposes.

NOTES

Officers and others who may notice errors or omissions in the List are invited to communicate direct with

THE SECRETARY OF THE ADMIRALTY,
(Editor of the Navy List) London, S.W.1,

mentioning the ship or page in question. Communications should be marked " On Her Majesty's Service", and need not be stamped.

The Navy List is published four times a year—in the Spring, Summer, Autumn and Winter.

The Spring edition is the full edition, on sale to the public, and is published in February. The other editions are abridged and contain only the alphabetical list of officers of the R.N., R.M. etc., the list of ships and air squadrons, etc., with their key officers and a few other pages, but the Autumn edition also contains the seniority lists of R.N., R.M., W.R.N.S., Q.A.R.N.N.S. and Commonwealth officers. The Summer, Autumn and Winter editions are published in May, August and November respectively.

The Navy List of Retired and Emergency List Officers is published in November every other year, the next edition being 1965.

The rates of pay, regulations, &c., are contained in a special sale publication entitled " Appendix to the Navy List", which is published annually in August.

Officers who succeed to peerages, baronetcies, or courtesy titles should immediately notify the Secretary of the Admiralty, in order that the necessary alterations may be made in the Navy List and in the official records of the Admiralty.

The degrees shown after Officers' names in the Navy List are not necessarily a complete list of those held, but, generally speaking, are confined to degrees of an honorary nature conferred specially upon an Officer, and those which are so related to the professional duties of an Officer as to give some indication of his professional qualifications.

This edition of the Navy List is corrected to include those promotions, appointments &c., promulgated on or before 10th December, 1963 as becoming effective on or before 31st January, 1964.

The above list is issued for the information of Captains of Her Majesty's Ships with reference to the provisions of Article 1252 of the Queen's Regulations and Admiralty Instructions, under which they are authorised to ascertain whether British Merchant Ships (including Fishing Vessels) flying the Blue Ensign of Her Majesty's Fleet are legally entitled to do so.

2. The detailed regulations issued by the Admiralty and the Ministry of Transport lay down the following conditions relative to the wearing of the Blue Ensign:—

The Blue Ensign *is not to be worn if*—

(*a*) from any circumstances, the Officer to whom the Admiralty Warrant was issued is not in command of the ship;

(*b*) the number of persons qualifying as "reservists" (see *Note* below), in addition to the Commanding Officer, is less than the following requirement:—

(i) in a ship other than a fishing vessel, one reservist officer,

(ii) in a fishing vessel, four reservists,

unless it can be shown by the endorsements on the Agreement or by entries in the official log, that the reduction in the number has been caused by death, sickness, desertion, or joining a British Man of War, or by some unavoidable casualty.

3. Commodores on the active or retired lists of the Royal Naval Reserve or Commonwealth Naval Reserves qualify for the privilege in their own right, without the requirement of a number of reservists.

4. Article 1252 of Queen's Regulations and Admiralty Instructions prescribes the action to be taken by the Captain of one of Her Majesty's Ships if a merchant ship is found to be wearing the Blue Ensign without the Admiralty Warrant or otherwise not complying with the foregoing regulations.

Note.—"Reservists" can include Officers and men of the Royal Naval Reserve or of a Commonwealth Naval Reserve, time-expired ratings who have completed 20 years' service in the Royal Naval Reserve, members of the Royal Naval Special Reserve, Officers on the retired or emergency lists of the Royal Navy or of a Commonwealth Navy, men belonging to the Royal Fleet Reserve, Royal Naval Pensioners and Royal Marine Pensioners.

This list contains only the names of those officers who have specifically applied to remain in the R.N.V.S.R. and who hold the new type of identity card issued by Admiral Commanding Reserves. Enquiries regarding this list should be addressed to Admiral Commanding Reserves, Admiralty, Empress State Building, London, S.W.6.

Note.—(1) In the event of a further National Emergency and subject to mobilisation requirements, members who are recalled for further service will be appointed in the substantive rank which they held on dispersal. They will, however, be styled by the rank shown in column 2.

(2) The column headed " Rank " shows rank in the R.N.V.R., except where otherwise shown.

(3) An officer who has been granted honorary promotion is distinguished by the rank being shown after his name. This entitles an officer to use such rank in civilian life, and to wear the uniform of the rank on such occasions as may be approved by the Admiralty.

KING GEORGE'S FUND FOR SAILORS

1, CHESHAM STREET, LONDON, S.W.1

The Fund is recognised by the Admiralty and the Ministry of Transport as the Central Fund for officers and men of the Royal Navy, Merchant Navy and Fishing Fleets. It makes allocations to over 120 benevolent and welfare societies covering the needs of the officers and ratings past and present, and of both sexes.

The objects of the fund are:—

(*a*) to advise which is the appropriate society or fund to deal with any individual case which may be brought to its notice;

(*b*) to assist individual applicants by providing them with the name of the appropriate charity to deal with their case;

(*c*) to give information when applied to as to the work and scope of any particular society or fund.

It also maintains the **Central Bureau for Naval Officers' Charities.**

Note: Grants cannot be made to individuals.

The King George's Fund for Sailors needs your help, but if you are in need of assistance yourself *you are invited to communicate confidentially with the General Secretary.*

ROYAL NAVAL BENEVOLENT TRUST

HEAD OFFICE: HIGH STREET, BROMPTON, GILLINGHAM, KENT

The R.N.B.T. is the central benevolent organisation for assisting the " past, present and future " men of the Royal Navy. It is administered by a central committee, and three local committees. All the powers of the Trust are vested in and exercisable by the central committee acting either directly or by delegation to the local committees namely one each for the ports of Chatham, Devonport and Portsmouth. There is also a committee of R.N.B.T. corresponding representatives on the Mediterranean station with an office at 2, Harper Lane, Floriana, Malta, G.C.

The objects of the Trust are:—

(*a*) to provide relief in cases of necessity or distress to those who have served or are serving as non-commissioned officers and men in the Royal Navy;

(*b*) to make provision of training for such persons for civil life and assistance in order that they may obtain suitable employment after leaving the Service;

(*c*) to make contribution either directly or through the agency of other benevolent or educational institutions to the care, training, maintenance and welfare of the families and dependents of such persons in cases of necessity or distress.

In carrying out its primary beneficial objects, the Trust supports and co-operates with many other organisations whose work is known to benefit Naval men and their dependants. Grants are made to maternity homes, convalescent and rest homes, homes for the aged and the disabled, children's homes and schools, training and treatment centres and many others. The Trust also makes large annual grants to the National Association for the Employment of Regular Sailors, Soldiers and Airmen as the Navy's share of the cost of finding employment in civilian life.

The Trust adminsters and maintains the Naval School of Motoring, Twyford Avenue, Portsmouth, and Pembroke House (Home for aged ex-naval men), Oxford Road, Gillingham, Kent.

The Trust also administers **The Royal Naval Fund** in accordance with the terms of its Trust deed. The funds available consist mainly of the interest derived from the investment of the surplus proceeds of the Royal Naval Exhibition of 1891. The income so derived is expended in affording assistance to the widows, orphans or other dependent relatives of Seamen and Marines who have died while in the service of the Crown

ROYAL NAVAL BENEVOLENT SOCIETY

1, FLEET STREET, LONDON, E.C.4

Objects: To afford relief to distressed officers of the Royal Navy and Royal Marines of the equivalent rank of Lieutenant or above, their widows, orphans, mothers and sisters. Grants are made by a Quarterly Court on the recommendation of the Committee. Only one grant is normally made to an applicant in any one year, but the number of recipients in a family is not limited.

Subscriptions: For all officers on the active list of the Royal Navy and Royal Marines of or above the equivalent rank of Lieutenant and all officers on the retired list who held such rank whilst still serving on the active list, the annual subscription is one guinea; but, in the cases of officers on full-pay, half-pay or retired pay whose service emoluments are less than one guinea a day, the annual subscription may be one day's service emoluments which the officer was receiving on the 1st January in each year. Life membership may be secured on payment of a sum not less than £10.

Membership of the Society is in the nature of an insurance against unforeseen misfortunes that may happen to officers or their near relations owing to illness, accident, old age or other causes. *Further information can be obtained from the Secretary at the above address.*

This Society should not be confused with the Royal Naval Benevolent Trust.

R.N. & R.M. BRANCH & SPECIAL DUTIES OFFICERS' BENEVOLENT FUND

The object of the fund is to alleviate distress that may arise among Branch Officers, Special Duties Officers and former Warrant Officers, active and retired, up to and including officers who receive the rank of Lieutenant on retiring and dependants thereof. The investigation of cases is carried out by the local Councils of the R.N. and R.M. Branch and Special Duties Officers' Benevolent Associations at Chatham, Devonport and Portsmouth, who make their recommendations to the Managing Trustees of the fund. The fees are £354 a year, but they may be adjusted in exceptional circumstances to the limit of the funds available for this purpose. There are four foundation bursaries, the holders of which pay fees of £22 a year. One or two scholarships of £45 a year are offered for open competition each year for girls of 13–14 and one of £30 a year for girls of 12–13. There are some scholarships for girls doing the two-year Advanced Level course to the value of £50 a year.

Donations, bequests and subscriptions will be gratefully received. The endowments of the School are greatly reduced through expenditure on new buildings necessitated by the bombing of the previous school at Twickenham.

For further information apply to the Bursar.

citizenship, and who are sons of serving or former officers and men of the Royal Navy, Royal Marines, Royal Naval Reserve, other seafaring men and men drowned on Lifeboat Service.

Claims for admission to the School will be determined in such manner as the Lords Commissioners of the Admiralty may decide, but the Selectors will give special consideration to orphans and have regard to the length and merit of the father's sea service. Before admission candidates will be required to undergo an educational and medical examination to determine their fitness for entry. At the age of 11 years, the minimum standard required is ability to read and write from dictation an easy sentence and possess a good knowledge of the four rules of arithmetic, simple and compound. Above this age a higher standard will be expected. Candidates must be physically fit for the normal life of the School.

Entries to the School are made in September, January and May and places are allotted as they become available after the boys reach the age of 11¼ years. Parents should therefore apply as soon as a boy is 10 years old, and before he is 10½.

Admission of boys into Orphanages, Schools or other Institutions at the expense of Greenwich Hospital funds. The Admiralty have power to admit into orphanages, etc., sons of deceased or incapacitated non-commissioned officers, and men of the Royal Navy and Royal Marines (and of men of the Royal Naval Reserve, killed or drowned in the service of the Crown). Cases are considered according to the length, nature and merit of the father's services, in the following order:—(1) Total orphans; (2) Orphans. Father killed, drowned or deceased on duty, mother unable to look after the children. Exceptional cases.

Applications are not received until the candidates are 7¾ years of age, except under special circumstances. On reaching the age of 11 years, boys may be transferred to the Royal Hospital School, Holbrook, provided they are physically fit for the normal life of that school and are of the required educational standard. Otherwise they will be retained until 15 years of age.

Admission of girls into schools to be maintained at the expense of Greenwich Hospital Funds. The Admiralty have power to admit into schools, etc., daughters of non-commissioned officers and men of the Royal Navy or Royal Marines. Cases are considered according to the length of the father's service at sea, in the following order:—(1) Total orphans; (2) Father killed, drowned or deceased in Her Majesty's Service; (3) Father dead; (4) Father living, mother dead; (5) Cases not specified in the foregoing classes. Applications are not received until the candidates are 8½ years of age, nor after 10 years of age, except under special circumstances.

Further information on all the above activities from the Director of Greenwich Hospital, Admiralty, 13, Devonshire Square, London, E.C.2.

Kitchener Scholarships (about 40 of varying value) are awarded annually, by competitive selection:—

(*a*) to sons of officers and men and women or of ex-officers and men or women with approved service in the Royal Navy, Army or the Royal Air Force, who are over 17 and under 20 years of age on 1st January of the year of competing (but the Committee may consider applicants over 20 who had before that age begun an approved course) or who, if they had done Regular or National Service, are under 30 years of age on 1st January of the year of competing;

(*b*) to applicants of male sex under 30 years of age on 1st January of the competing year who have served in the Royal Navy, Army or the Royal Air Force.

Kitchener Medical and Dental Services Scholarships, for which the money is provided by the Services, are awarded similarly each year, two each for each service:

(*a*) to sons of officers and men or women or of ex-officers and men or women of Her Majesty's Regular Forces;

(*b*) to sons of officers and men or women or ex-officers and men or women of the Reserve and Auxiliary Forces who served in the Great War of 1914–18 and/or the World War of 1939–45, who are over 17 and under 20 years of age on 1st January of the year of competing (but the Committee may consider applicants over 20 who had before that age begun an approved medical or dental course) and who require financial assistance to undergo a course of medical or dental education with a view to obtaining commissions in the Medical or Dental Branches of the Royal Navy, Army or the Royal Air Force.

The scholarships are granted on the conditions that the scholar, on becoming qualified to practise medicine and surgery or dentistry, will apply at once for a commission, under current regulations, in the Medical or Dental Branch of the Service for which he was selected and that if granted such a commission he will render not less than five years' actual service on full pay; if, however, he does not continue in the service and serve for at least 15 years, the money spent by the Service on his scholarship will be deducted from any gratuity that may be due to him on relinquishing his commission.

Applications for both classes of scholarships can be received only in January or February each year, and must be made on an application form obtainable during those months *from the Secretary at the above address.*

CHRIST'S HOSPITAL

Stock's Trust and Royal Mathematical Foundation: Two boys—sons of Naval officers are admitted on the Foundation of Christ's Hospital under this Trust. The Admiralty nominate three candidates for each vacancy, and the final selection is made by the Council of Almoners of Christ's Hospital. The existence of a vacancy is advertised in the principal London newspapers, the Army, Navy and Air Force Gazette, and the United Service Gazette.

Application should be addressed to the Secretary of the Admiralty, Whitehall, London, S.W.1.

The main qualifications are that the parents must be in need of assistance and that the boys must be between the ages of 9 and 11 when admitted to the School. Maintenance and a public school education are provided at the cost of the Foundation, subject to such contributions from the parents, or next friends, as may be required in accordance with a scale laid down by the Council. This may range from nil to a maximum of £200 on the entry of a child, but larger contributions may be required subsequently if the parents' circumstances improve. The scale is liable to alteration at any time. Beyond such contributions there are only the expenses to the parents for games-clothes, railway fares etc. The Council have also a fund for assisting such of the boys who, on leaving school, enter the Royal Navy as Cadets, etc.
